Dear Families,

Students in grades 5th through 8th are required to supply their own iPad case. Students receive a new iPad in 5th grade to use throughout their remaining years at STM. The iPads are school owned; however each student is responsible for the care and safety of the iPad they've been issued to use and are asked each year to sign an acceptable use agreement/contract.

This year we are restricting case choices to the 6 described below. All 5th grade students must adhere to the updated case policy. However students in grades 6th through 8th can keep their current case providing it is in good condition and meets the guidelines. If the current case does not meet the requirements or is not in good condition a letter will be emailed home with replacement instructions. Students will not be issued/reissued an iPad until they have an approved case.

5th grade Gen 6 iPad case choices. *(all cases can be found on Amazon) FYI - Gen 6 iPads are Apple Pencil compatible.*
